

ELM Summer STEM Camps 2019

What is STEM in preschool?

SCIENCE activities at the early childhood level include things like exploring water and sand, comparing and contrasting natural materials like rocks and soil, rolling balls across the room, and looking through a magnifying glass to count how many legs are on the bug. **TECHNOLOGY** activities include computers (*ipads in ELM's case*), but also identifying simple machines like gears and wheels and pulleys. **ENGINEERING** in the early childhood classroom happens when children are planning and designing every day structures with little teacher direction. **MATH** activities include counting and matching shapes and making patterns. *ELM summers are always loads of fun and fill quickly!*

Space Camp
For Young Astronauts

Send your little explorer on an out-of-this-world adventure this summer! Children will study the solar system, experience life as an astronaut, and design and build friendly space creatures in this fun camp.

7 Weeks, June 25th — August 13th
Tuesdays & Thursdays
9:00 — 11:45
Tuition: \$440

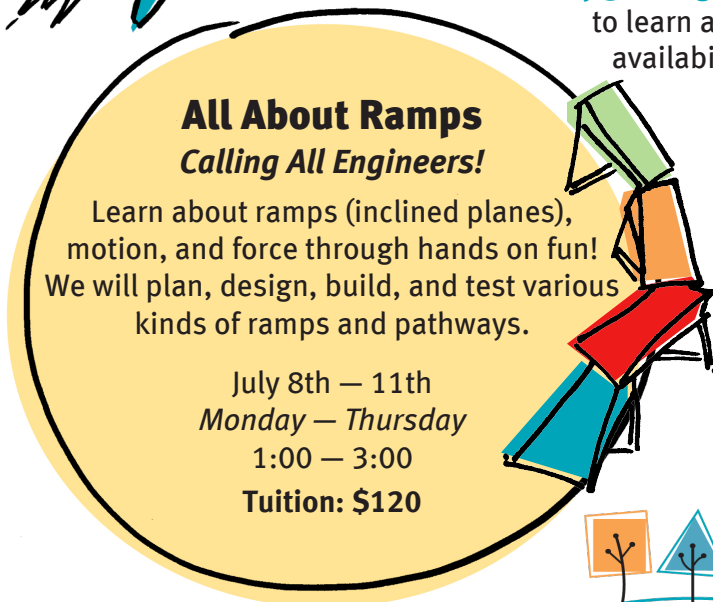

Away We Go!
Music Camp

Children will enjoy music and movement curriculum that focuses on things that go, leading us into the world of transportation. We will journey through activities relating to trains, cars, buses, horses, wagons, airplanes, and boats.

7 Weeks, June 26th — August 7th
Wednesdays
9:30 — 11:00
Tuition: \$155

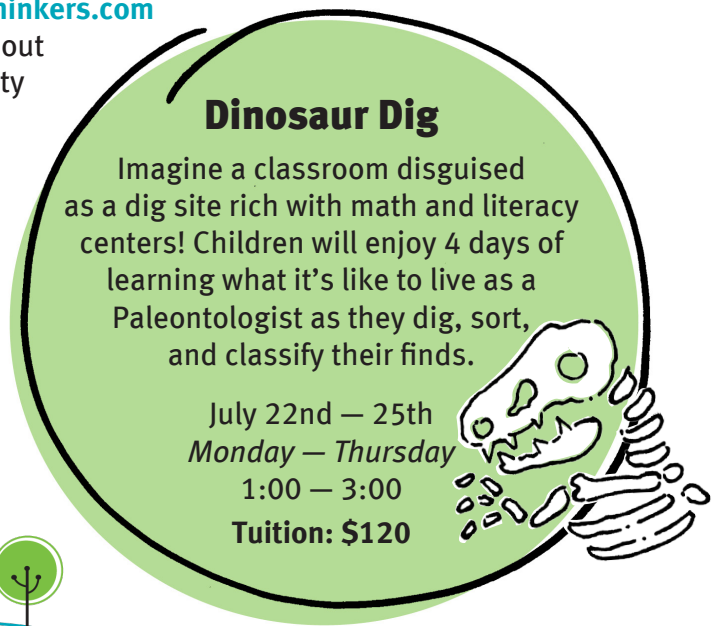

How do I sign up?
Contact Kandy at [503-648-8917](tel:503-648-8917)
or kandy@strongthinkers.com

availability

All About Ramps
Calling All Engineers!

Learn about ramps (inclined planes), motion, and force through hands on fun! We will plan, design, build, and test various kinds of ramps and pathways.

July 8th — 11th
Monday — Thursday
1:00 — 3:00
Tuition: \$120

Dinosaur Dig

Imagine a classroom disguised as a dig site rich with math and literacy centers! Children will enjoy 4 days of learning what it's like to live as a Paleontologist as they dig, sort, and classify their finds.

July 22nd — 25th
Monday — Thursday
1:00 — 3:00
Tuition: \$120
